3. I didn't talk to him.
4. didn't know the answer.
5. they went to the cinema
6. they admired the car
7. talked to each other

8. they looked at the handsome guy
9. they disagree with his opinion
10. they walk smiling
11. and talk on the phone
12. they comment on their professions
13. he comments that he is not married
14. they are alone with him

they came home and they looked at the handsome guy but they talked to each other, and they admired the car.

When they are alone with him while they walk smiling and talk on the phone, they comment on their professions and he comments that he is not married.

As soon as they went to the cinema, I just didn't know the answer, because we didn't invite him, but I didn't talk to him, and they disagree with his opinion.
